

DentGuard[®] PROTECTION

The key to peace of mind

DentGuard[®] offers superior benefits, reliable service and exceptional quality repairs to keep your vehicle in like-new, pristine condition.

UNIQUE, NON-INVASIVE REPAIR PROCESS

Paintless Dent Repair (PDR) is a unique and innovative process that works without the need for body fillers, sanding or painting.

PDR technicians use specialized tools to gently manipulate dented metal back to its original form, repairing door dings and minor dents up to 4" in diameter in vertical and horizontal painted metal panels.
